

hillary/dean (fiction/prophecy)

WHEN HILLARY EMBRACED
THE LIBERAL
FIRE-breathing governor ...
THE NEW YORK TIMES
SAID "B***S***!"
— DEAN'S SO "UN-ELECTABLE."
What he transmits won't fit
the paradigms . . .

. . . of how things are defined
by those who know.

The story must be
"HILLARY'S GONE MAD!"

HOW ELSE TO FRAME THIS?
— stop the domino

of "un-reality" —
Our girl's gone bad!

Her Wellesley education's
come undone:
Well-centered compromises
that she bought

to match her hairdos ...
Now her odds are none.
(DON'T BLAME POOR JOURNALISTS,
it's how they're taught.

THEY CANNOT SEE the turns right
in their face

— Too busy betting
on THE CURRENT race.)
