

california president*

* [fiction | prophecy]

*THEN MR. GORE stood up
"as plain as day" ...*

cut here

*HE SAID
America was now too deep
in something
he was too polite too say,
AND SO, HE WAS PREPARED
TO TAKE A LEAP ...*

*... INTO THE CALIFORNIA CHAOS POOL.
But not to criticize -- No -- to redeem
DEMOCRACY.
WITH SCISSORS he would school
them all on HOW TO
RESURRECT "the dream."*

*THEY GASPED WHEN "cut your taxes"
left his lips.
But there was bigger cutting to be done.
IT'S TIME A NEW REPUBLIC
SAILBOAT SLIPS
INTO THE WATER.
CHEAPER & more FUN ...*

*... TO halve your taxes & avoid the stress
of cleaning up G. DUBYA BU**SH**'s mess.*
